THE MAYBEE SOCIETY

MABILLE - MAYBEE - MABIE - MABEE - MAYBIE
MABEY - MEBE - MEEBIE - MABY - VAN NORDEN
VAN NAERDEN - VAN ORDEN and many others.

THE MAYBEE SOCIETY has been formed for the purpose of finding the background history and genealogy of all branches of the family, and making this material available for all members of the family, and to preserve the research that has been carried on by many dedicated researchers and students.

It is impossible for just a few persons to perform all of the necessary research and detail work. Too much material is lost when researchers die or quit working. We hope to contact as many members of the family as possible and request that copies of all available material be placed in the Central Office of the Society, where it can be assembled, indexed and coordinated, thus making it available to family members, researchers, genealogical societies and libraries.

We plan to issue news letters about the family history, and to relate interesting stories of a most interesting family. The news letters will also serve as a clearing house for ideas and as a means of contacting family members far and wide.

A central office has been established at Everett, WA USA, with BELVA MAYBEE PERRY as the Executive Secretary. GEORGE MAYBEE MARTIN, Yakima, WA USA, will serve as President until the organization has been fully established. We plan to have a Board of Directors serving the various parts of the United States and Canada.

We cannot operate without finances and we request that anyone at all interested forward a CHARTER MEMBER fee of \$20 U.S. Reasonable annual dues will be set by the Board as soon as a budget can be prepared.

Our initial contacts have brought enthusiastic replies. Won't you join with us? It will make your life much more interesting!

Yours for better hunting!
